RECITAL 2019

Performance 2019! Bernadette and I are excited to announce preparations for this year's upcoming 27th Annual All Studio Performance in July. I can assure you, as in the past, we are going all out for this show and I am confident it will be another wonderful recital...Wait! Not a *RECITAL*...a **Broadway show!** AND you and your child will be a very important part of it! All students are welcome to participate in this highly anticipated presentation. In addition to each individual class appearing in the show, all students are encouraged to take part in "The Closer" and/or the "Y.E.S.!" NUMBER (*Youth Extra Show Number*), which are, for many, the highlights of the show. They offer students additional numbers in the show and provide them with the opportunity to strut their stuff with the other students who are not in their weekly class.

This is a wonderful opportunity for all the students to grow and learn.

Reminder...only "The Closer" and "Y.E.S.!" NUMBER students will bow during "The Curtain Call".

All students perform in all 3 performances.

The recital is an exhilarating experience and an amazing opportunity for the students!

READ EVERYTHING. All this information all at once may seem overwhelming, but it's everything you need to know about this year's big event. It is really a super experience for the students and much less painful then it sounds. Ask any questions you might have...Bernadette and I will be happy to explain.

If you're still with me...good news...that's the most complicated part of this whole process.

The rest is just **Fun...Fun...Fun!**
